AMENDMENT

Assistant Commissioner for Patents  
Washington, DC 20231

April 22, 2002

Sir:

In response to the Examiner's Office Action dated November 21, 2001, the due date having been extended two (2) months to April 21, 2002 the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE CLAIMS:

Please amend claims 1, 2, 4, 7, 9 and 12 as follows:

subC1) 1. (Amended) A spatial structure (1, 1a) arranged especially for spending of leisure, said structure comprising wall and, correspondingly, roof structures (2, 3) which define one or several interior space(s) (6) separated from the ambient open-air, characterized in that several at least partially closed separate spaces (7 to 16b, 23) for human activities are arranged in an unitary interior space (6), or in immediate connection thereto, wherein the climate in each separate space (7 to 16, 2) can be separately regulated in accordance with mutually differing conditions.
